

Instructions Cryptshare

Sending and receiving files to/from AFM using Cryptshare. Cryptshare enables users to exchange large files of up to 20GB. All transfers are strongly encrypted and are made even more secure with authentication using a password. It is fast, easy and safe.

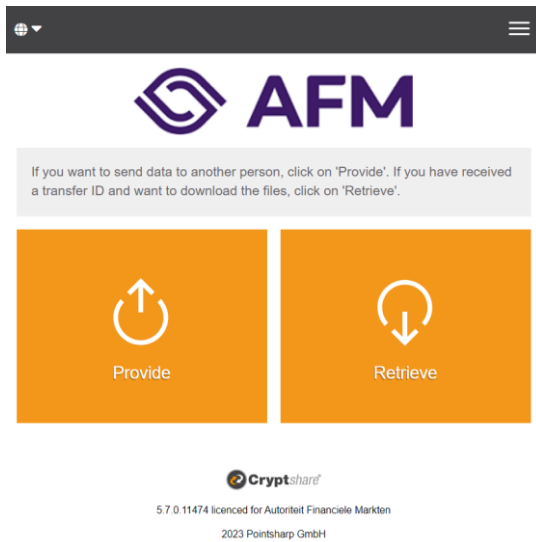

Manual | 2023

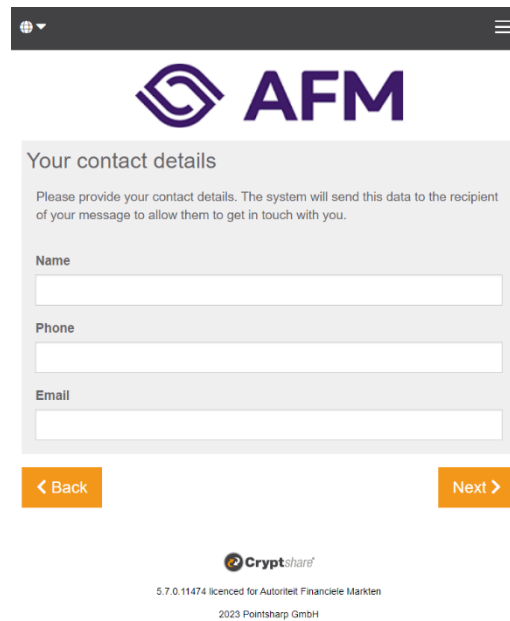

Sending files

1. Go to <https://filetransfer.afm.nl>

Click on Provide. Enter your contact details in the fields provided. Click on Next.

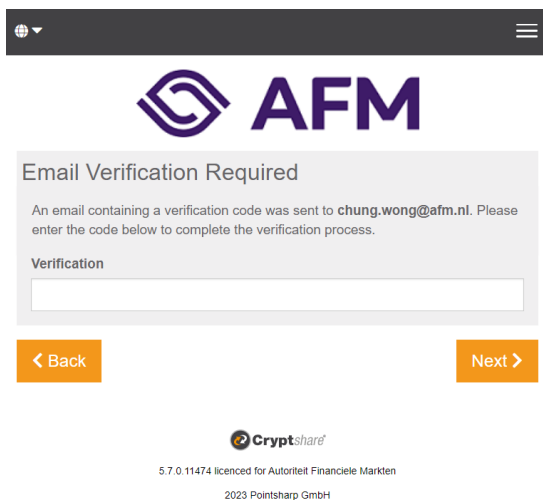

The screenshot shows the AFM file transfer interface. At the top, there is a dark header with a globe icon and a menu icon. Below the header is the AFM logo. A message box states: "If you want to send data to another person, click on 'Provide'. If you have received a transfer ID and want to download the files, click on 'Retrieve'." Below this message are two large orange buttons: "Provide" with an upward arrow icon and "Retrieve" with a downward arrow icon. At the bottom, there is a Cryptshare logo and text: "5.7.0.11474 licenced for Autoriteit Financiële Markten" and "2023 Pointsharp GmbH".

The screenshot shows the AFM file transfer interface with the "Your contact details" form. The form has three input fields: "Name", "Phone", and "Email". Below the form are two orange buttons: "< Back" and "Next >". At the bottom, there is a Cryptshare logo and text: "5.7.0.11474 licenced for Autoriteit Financiële Markten" and "2023 Pointsharp GmbH".

2. Verification code

Type in the verification code that was sent to you via email. Click on Verify.

The screenshot shows the AFM file transfer interface with the "Email Verification Required" form. The form has a message: "An email containing a verification code was sent to chung.wong@afm.nl. Please enter the code below to complete the verification process." Below the message is a "Verification" input field. At the bottom of the form are two orange buttons: "< Back" and "Next >". At the bottom of the page, there is a Cryptshare logo and text: "5.7.0.11474 licenced for Autoriteit Financiële Markten" and "2023 Pointsharp GmbH".

3. Preparing for sending

In the Input field for recipient addresses type in the email address for the recipient. Click on Next. Select the file you want to send by clicking on Add files. Click on Next.

The screenshot displays the AFM Cryptoshare web interface. The top navigation bar is dark grey with the AFM logo and a hamburger menu icon. The main content area is divided into two panels. The left panel, titled 'Your contact details', contains a 'Send as' field with the value 'Test (chung.wong@afm.nl)' and a 'Recipients' section with a 'To' field and 'Cc'/'Bcc' buttons. The right panel, titled 'Add Files', shows a message 'The maximum transfer volume is 60,0 GB', a 'Drag & Drop' area with an upload icon, and a 'Browse' button. Both panels have orange 'Back' and 'Next' buttons at the bottom. The footer includes the Cryptoshare logo, the license number '5.7.0.11474', and the company name '2023 Pointsharp GmbH'.

4. Transfer Options

Send the password with a separate mail to the recipient. Click on Next.

The screenshot shows the 'Transfer Options' step in the AFM Cryptoshare interface. The top navigation bar is dark grey with the AFM logo and a hamburger menu icon. The main content area is a single panel titled 'Transfer Options' with three sections: 'Expiration Date' (06/30/2023), 'Recipient language' (English), and 'Notification Options' (two checked checkboxes). Below these is the 'Security Settings' section, which includes a blue box with instructions to write down the password and a 'Password' field containing 'b5z;-#HK3:1DIN;u'. Orange 'Back' and 'Next' buttons are at the bottom. The footer includes the Cryptoshare logo, the license number '5.7.0.11474', and the company name '2023 Pointsharp GmbH'.

5. Start transfer

Click on Start Transfer.

Recipient Notification

Subject

Files (1) from Test

Message

Dear Sir or Madam,

Confidential data has been sent to you by Test. You can download the data until **30, Jun 2023**. After the expiration date has exceeded the data will be deleted automatically from the server.

The transfer is secured by encryption.

Download transfer

1. Open email

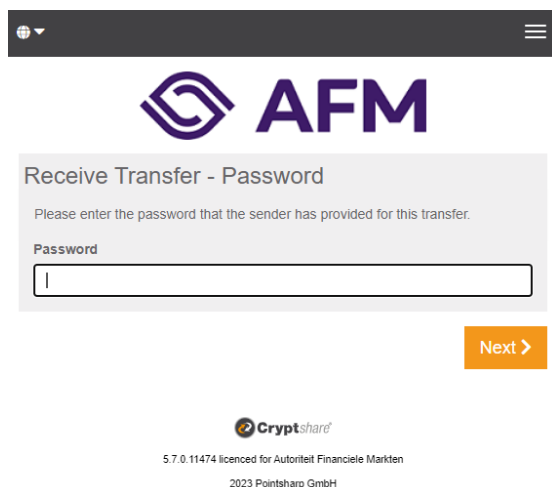

The file recipient will receive an email - like the one shown below - to inform that a file has been provided through Cryptshare. Click on Download Files.

The screenshot shows an email interface. At the top is the Cryptshare logo. Below it is a blue bar with the tracking ID: 20230602-114724-2K6r6Sxa. The email body contains a table with sender information: Sender name (Test), Phone (0201234567), and Email (chung.wong@afm.nl). To the right of this table are two buttons: 'Download Files' (Available until 30, Jun 2023) and 'Reply with Cryptshare'. Below the table, there is a message: 'Dear Sir or Madam, Confidential data has been sent to you by Test. You can download the data until 30, Jun 2023. After the expiration date has exceeded the data will be deleted automatically from the server. The transfer is secured by encryption.' Below this is a 'Transfer Details' section with a 'To:' field containing 'chung.wong@afm.nl' and a 'Download link: https://filetransfer.afm.nl/download?id=7ljnfyCycC'. At the bottom, there is a link to 'Cryptshare Documentation' and a note: 'This message has been generated automatically.'

2. Type password

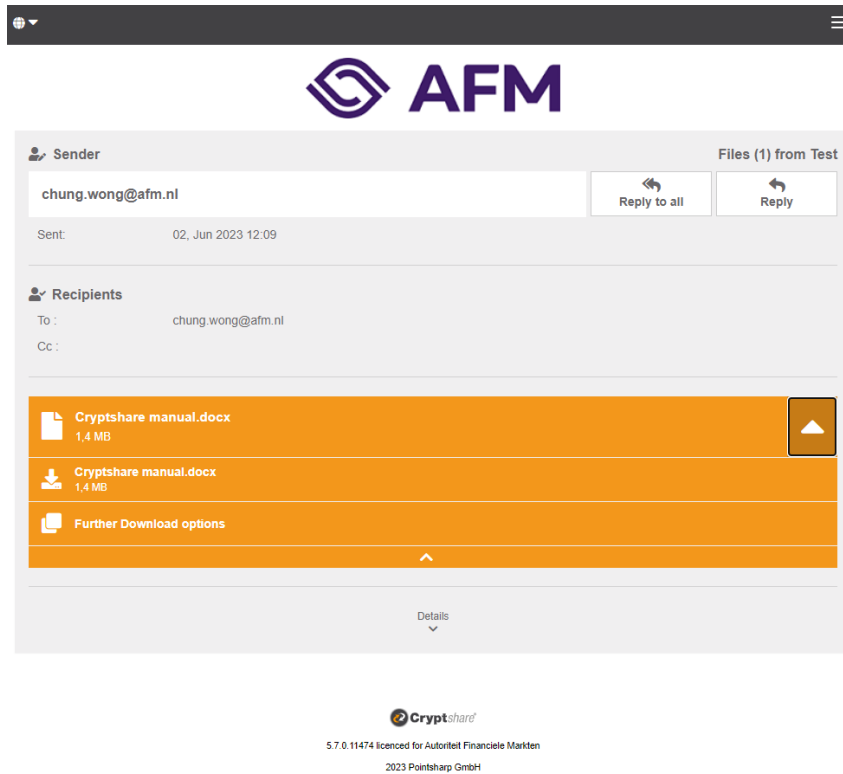

Enter password and click on Next.

The screenshot shows the AFM logo at the top. Below it is a section titled 'Receive Transfer - Password'. The text says: 'Please enter the password that the sender has provided for this transfer.' There is a 'Password' label and a text input field. Below the input field is an orange button labeled 'Next >'. At the bottom, there is the Cryptshare logo and some small text: '5.7.0.11474 licenced for Autoriteit Financiële Markten' and '2023 Pointsharp GmbH'.

3. Download file

Click on Download files. Click on Finish after saving the downloaded files.

Note: In case of a problem please contact the sender. The sender's contact details are in the email.
